APPLICATION FORM

Applications are due Friday, Jan. 12, 2018

The SSD Board of Education is committed to helping all SSD students achieve success, no matter how they individually define that success. We have received donations and set aside money for scholarships to help students who have demonstrated both the ability to work for and achieve a worthy goal and have the desire to achieve more.

The Award:

The Board will award two \$1,000 scholarships to students who qualify and are graduating high school seniors. The funds will be paid directly to the student's chosen educational institution or support program.

Eligibility:

All students served by SSD in any capacity are eligible for the scholarship, including those attending North or South Technical high schools.

Application:

The SSD Board of Education Scholarship application consists of a student information form, one essay from the student, a résumé of the student's extracurricular activities and any awards received, and a letter of recommendation from a teacher, staff member, coach or community member who knows the student well.

Selection:

The Scholarship recipients will be selected by the SSD Board of Education and awarded to the students who best demonstrate the ability to define a goal and are preparing to achieve that goal.
