DEFINITION AND ELIGIBILITY CRITERIA FROM APPENDIX A OF THE MISSOURI STATE PLAN

Deaf/Blindness Definition

“Deaf/Blindness” means concomitant hearing and visual impairments, the combination of which causes such severe communication and other developmental and educational needs that they cannot be accommodated in special education programs solely for children with deafness or children with blindness.

Parent Handbook — Section IV

Criteria for Initial Determination of Eligibility

A child is deaf/blind when:

- A. Both visual and hearing impairments are present;

- B. The impairments together cause severe communication, developmental, and educational needs.
