

May 29, 2020

Dear School Administrator:

Congratulations! Your school is one of 105 that have achieved the **Missouri SW-PBS Recognition Award of Excellence** for implementation of schoolwide positive behavior support (SW-PBS)! We appreciate the extra effort that it took to document the fidelity and consistency of your SW-PBS implementation during these unprecedented times. We are humbled by the work conducted by our partner educators across Missouri to ensure the health, safety and continued learning for all their students. We know many of the lessons adults and students are learning right now are based on the strong social /emotional / behavioral foundations that you forged across your school while you were in session face-to-face with students.

Your school will receive a framed certificate indicating the level of recognition achieved. Additionally, if this is the first year your school is receiving recognition, a banner will be awarded. Finally, your school will be listed on the Missouri SW-PBS state website with other recognized 2019-2020 schools. Representatives of your school will be contacted by your Regional Professional Development Center (RPDC) Consultant(s) regarding celebrations at a later date.

While no one can forecast just exactly what the school year of 2020-2021 will look like just yet, know that the entire MO SW-PBS State Team is ready and at your side to make it the best year yet for your entire community.

Again, congratulations on your school's achievement!

Sincerely-

A handwritten signature in cursive script that reads "Nanci W. Johnson".

Nanci W. Johnson, Ph.D.  
State Director, Missouri Schoolwide Positive Behavior Support
