HIGHLIGHTS

An IRC video was created and shared with SSD families and staff.

A new process was implemented to decrease wait time for holds placed on overdue items.

Browsing and search capabilities were added/updated to improve patron experience and expand access to the collection in Alexandria's patron interface, Researcher.

Device bag tags were updated to expedite year-end device check-in.

For patron convenience, curbside drop-off was offered for a third year in a row during the last 7 days of the school year.
