

Sora

(Tap on the Sora app)

“Sora is the reading platform (app and website) that schools use to access eBooks and audiobooks from OverDrive.”
How to access **eBooks** (read online) & **Audiobooks** (listen to online)

ACCESS DIGITAL LIBRARY

Download the Sora app from the App store or the Play Store

On a **computer** go to <https://soraapp.com/library/morenetmo>

Find my school

TABLET/PHONE - CHOOSE 1 of the 3 below

-
- If your school is not listed, choose “My school isn’t listed **————>**”
- Not your school? Switch Schools **————>**
- I have a set up code: morenetmo

Find your school

- **Special School District of St. Louis County**

MOREnet

Special School District of St. Louis County

Sign into your school

- **Special School District of St. Louis County**

STAFF

Use your “**Google credentials**” (student email login)

BROWSE & BORROW

Browse, select a book, click borrow. Your book will open, and you may start reading right away. Enjoy.

ADD THE PUBLIC LIBRARY

You can add instant access to ebooks at St. Louis County Library by clicking on the three lines in the right corner, click “add library”.

DOWNLOAD

If using WiFi, the books will automatically download.

If you are on a Chromebook, you will need to leave your browser open.

Audiobooks will stream until you are using WiFi and, then, download.

If I can help, please email icschnurbusch@ssdmo.org or call 314-989-7439
