All eligible graduates who continue an education at a Missouri public community college or career-technical school may be eligible for financial incentives for up to two years. Each student should enter into a written agreement with the school and, to be eligible must have:

- Attend a designated A+ School for three consecutive years immediately prior to high school graduation;

The following requirements must be met for a four-year span and by established deadlines:

- Graduate from high school with a non-weighted GPA of 2.5 or higher on a 4.0 scale (MAP score G.P.A. also excluded);
- Graduate from high school with at least 95% attendance record;
- Perform 50 hours of unpaid tutoring, mentoring, or job shadowing (12.5 hours total) as observed by a certified teacher and/or approved by the A+ coordinators.
- Maintain a record of good citizenship and avoidance of the unlawful use and/or possession of drugs, alcohol and/or related paraphernalia.
- Score “Advanced” or “Proficient” on the Algebra I EOC, or a 17 on the ACT math subtest.

In order to receive A+ funds from the state, the following must also be completed:

- Make a documented, good faith effort to secure all available federal post-secondary student financial assistance funds that do not require repayment (FAFSA)
- Register with Selective Service (if required by law to do so)

**Seniors must apply for the program by the end of First Semester in December.**

The A+ program may provide these educational incentives: 1) provided state funds are appropriated by the legislature or 2) subject to state funding approval. Funding is not the responsibility of North Technical HS or Special School District of St. Louis County.

**It is the responsibility of the student/parent to be aware of the requirements of the program and the status of the student towards successful A+ certification. By signing below all parties are certifying that they have read, understand, and agree to follow all policies outlined in the North Tech A+ Handbook**
