

Let's Talk

Let's Talk is an open invitation from SSD to tell us what's on your mind. Simply select a topic online, submit a message, and let us know what's going well, offer suggestions, or submit a concern. It's available 24/7 from any smartphone, tablet, or computer.

SchoolMessenger

SSD uses the SchoolMessenger Notification System to provide timely communication to parents on matters such as weather-related closures, emergencies, and other important messages that are closely related to our District's mission.

Tyler SIS

Tyler SIS Student 360 is the District's online portal for parents. You may view your child's grades, homework, and lunch balance, and update information such as emergency contacts, health information, and household address.

Spotlight Newsletter

The SSD Spotlight e-newsletter is a monthly publication that showcases stories about SSD's students and staff, as well as other key information for families and the community.

Peachjar

SSD uses Peachjar to send flyers via email about upcoming District events and enrichment activities. We also cooperate with community groups and organizations that sponsor activities of an educational/enrichment nature for our students.
