

Charting the LifeCourse Nexus

Our Core Belief: All people have the right to live, love, work, play, and pursue their own life aspirations.

What is **Charting the LifeCourse?**

Charting the LifeCourse IS:

- o About having different conversations
- o A different way of thinking
- o Encouraging high expectations
- o Having life experiences to move the trajectory in the desired direction
- o Integrating multiple types of support

Charting the LifeCourse IS NOT:

- o Only for professionals to use
- o Just about the “tools”
- o A “program”
- o Designed for just one specific age group
- o Solely for people with disabilities and their families
