Developmental Dyspraxia: Identification and Intervention Manual for Parents and Professionals. Madeleine Portwood (1999)

Manual, for teachers and health professionals, on the diagnosis of and intervention for dyspraxia. Discusses the neurological basis of the condition, strategies for identification, diagnosis, and assessment, remediation activities, programs to develop self-esteem, and more.

Dyspraxia: A Guide for Teachers and Parents. Kate Ripley, et al (1999)

Aim of this book is to promote an understanding of dyspraxia and movement development among professionals who work with children and also to provide a text on this subject accessible to parents.

Helping Children with Dyspraxia. Maureen Boon (2001)

Provides positive answers to the questions commonly asked by parents and teachers about behavior, causes, identification, and assessment associated with dyspraxia. Discusses the range of possible therapeutic interventions. For professionals and

Hope Speaks: An Introduction to Childhood Apraxia of Speech. (DVD) (30 minutes)

"Hope Speaks" was designed for those new to the apraxia diagnosis, especially the families of newly diagnosed children, students and professionals who need basic information, and most of all – HOPE.

How to Understand and Support Children with Dyspraxia. Lois Addy (2007)

Resource for teachers, teaching assistants and therapists working with children with dyspraxia and provides ideas and strategies to help across the curriculum.

Speaking of Apraxia: A Parent's Guide to Childhood Apraxia of Speech. Leslie A Lindsay. (2012)

Written in an empathic style by a parent who "has been there", offers hope and practical advice for parents of toddlers to teens with this neurologically-based motor speech disorder.
